

The Sun

Name _____

Let's learn about the Sun.

The Sun is 147,000,000 km from Earth.

147,000,000 km

That is like driving from
Tokyo to Osaka 292,828 times.

If you travelled between
Tokyo and Osaka 4 times every day, it would
take you over 200 years to travel that far.
