

holes in a bag

.....

Name _____

MATERIALS

Circle the items we will use in the experiment.

GUESS

What do you think will happen when we insert the pencil?

The bag will

- 1. not leak
- 2. leak
- 3. pop open

RESULT

What happened when we inserted the pencil?

We saw the bag

- 1. not leak
- 2. leak
- 3. pop open

WHY

...because there was

- 1. the same size hole
- 2. a big hole
- 3. no hole
