

Mizuki's Learning Adventure

Let's ask questions, and find the answer.

Q. What is ice cream made from?

A. Ice cream is made from cream, milk, sugar, and vanilla.

Q. What is pudding made from?

A. Pudding is made from flour, baking powder, sugar, egg, vanilla, and chocolate.

Q. Why is a soccer ball white and black?

A. So it's easy to see!

Q. Why are doors made out of wood?

A. Because wood is strong and light.

Q. Why do sharks have many teeth?

A. They need many teeth, because they fall out so often.

Q. Why does chocolate melt?

A. Because it is made of cocoa butter, which melts at 37 degrees.

Q. Why are snowflakes shaped that way?

A. As they fall from the sky, the wind and cold changes it's shape.
